RACONTEUR 1981

Jeff,

I really enjoyed having someone else in Physics that enjoyed it without doing so overly well in the class. I hope to see you during the summer & maybe we can write each other from USC to CSUN.

Mark McFarland

Jeff McKnight

Jeff,
I'm glad we got to meet in our freshman year (not the school year) (of course). I can't wait till this summer, we'll have so much fun (so long as I don't lose my passport!) I hope that we can keep on being friends for a long time after this summer. I'll be having a party pretty soon. I'd love to meet her!) Hope you can be there (with Jeanne, too)

Lots of love,
Debbie B.

F.V.H.S. Shows It's Smile

As time goes by, and things happen faster and faster, students will never forget the friendships that are made during their four year stay at F.V.

The smiles are evident all over the campus. Friends pass by waving and smiling.

Friends are important to us as we look forward to completing school and making a new beginning in life.

Spirit Week is a fun filled week for everyone. It is a time for students to show their school spirit and their Baron Pride.

This year Spirit Week was filled with many different types of competitions between the clubs and organizations on campus. The games included a three legged race, a water balloon toss, a cotton candy eating contest, and many other exciting games.

This week allows the students to have a change from their regular weekly schedule, and they have a chance to enjoy a special week.

Bands Entertain Students

About once every two months or so, students at F.V. were fortunate to have the opportunity of entertainment during lunch and some classes. Bands such as "Ocean" and "Myth" played for the students in the bowl and contributed to lunchtime activities for the students enjoyment. Many students watched and listened with great interest, while others socialized with friends and listened to the music in the background.

Homecoming Is Fille
With Stardust Memori

Spirit Week was capped off with a gala halftime extravaganza in which the King and Queen were crowned. All eyes were riveted on the stage as the announcer proclaimed Irene Mendoza — Queen and Emile Harry — King of Homecoming for 1980.

King Emile and Queen Irene presided over the homecoming dance "Star Dust Memories" on Saturday night. The dance was held at Movieland Wax Museum and all that attended had a terrific time.

Look at the Faces

This year there were many new faces on our campus.

When there are no special activities happening on campus, students find enjoyment among their friends.

During lunch students spent their time in the library, with friends, or at club meetings.

Homecoming Is a Great Success

Keeping with tradition, a Homecoming King and Queen were elected to preside over the Homecoming activities this year. In order to decide who will be King and Queen, students voted on who they wanted to reign as their King and Queen.

It was narrowed down to five boys and five girls finalists. The five boys were Jeff Christenson, Dave Desper, Rey Gubernick, Emile Harry, and Keith Richards. The five girls were Stephanie Dean, Liz Kessloff, Bonnie Latkovich, Sherry McFarland and Irene Mendoza.

The ten finalists anxiously awaited the announcement of the Homecoming King and Queen of 1980.

The Fountain Valley Student Body chose Emile Harry and Irene Mendoza to represent our High School as the new King and Queen of the 1980's. Congratulations to them both.

Pride and Spirit Contribute to Pep Assemblies

This year pep assemblies have been a prime factor in the spirit and pride of the students who attend F.V. Every Friday afternoon during football season, the gymnasium fills up with enthusiastic and anxious students who have come to cheer and to clap and to get rowdy for the evening's game. As the bleachers soon fill up, the football players burst through the doors to the beat of the band. For thirty minutes the pepsters have the students and the teachers involved in skits and in cheers to show their spirit and energy. During this time many students show their pride and dedication and what it means to them to go to F.V.

Barons Spirit Shines on!!

The highlight of the football season each year of the Fountain Valley-Edison game. Every year, for one week, special week, students, staff, football players, and their coaches show their school spirit by participating in many different Edison week events.

This year there was a car bash which the football players paid to destroy a car. Also class competitions, the Annual Students Government Breakfast as well as a huge Pep Assembly.

At the Pep Assembly there was a mock funeral and several skits. The Pepsters were joined by some of the coaches dressed as Edison cheerleaders all cheering our team on to victory.

Club Week Gains New Members

(1)

(3)

(2)

During one week in September, students are provided the opportunity to find out what types of clubs are available on campus. Clubs set up booths in front of the cafeteria and students try to find clubs that match their interests. School is not just classrooms and homework. Activities play an important roll in a students high school experience. Many students, especially freshmen, are not aware of the various clubs and activities that are open to them. That is the purpose of club week.

Due to a successful club week, many students found a way to express themselves through participation.

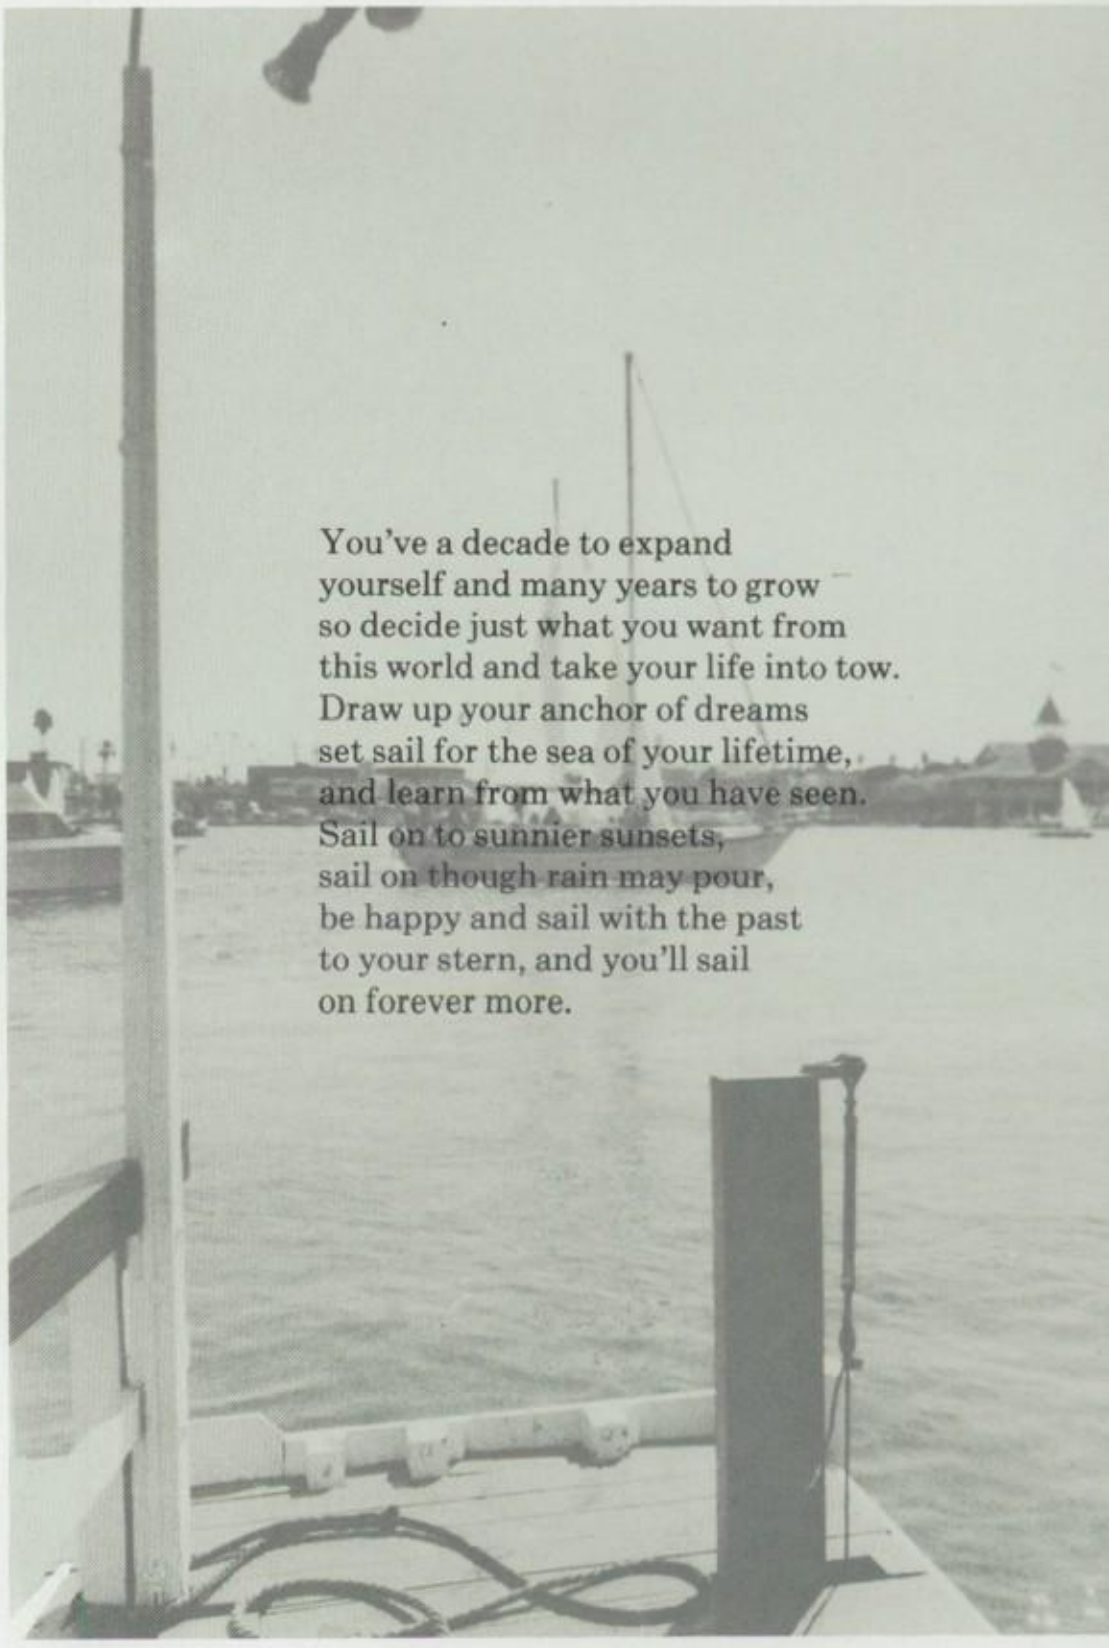
This year students participated in many different art classes to improve upon their abilities. These classes give students a chance to demonstrate their talents. This page is dedicated to the hard work of our talented artists.



You've a decade to expand
yourself and many years to grow
so decide just what you want from
this world and take your life into tow.
Draw up your anchor of dreams
set sail for the sea of your lifetime,
and learn from what you have seen.
Sail on to sunnier sunsets,
sail on though rain may pour,
be happy and sail with the past
to your stern, and you'll sail
on forever more.

Salute to Talented Students

"The Diary of Anne Frank"

Our Drama department this year was one of the finest F.V.H.S. has ever produced.

Their performance, under the direction of Ms. Carol Cooney, in the "Diary of Anne Frank," was outstanding.

The success of the play was not due to the work of any one individual, but rather to the cooperation among the cast of characters, the crew, and the audience.

Students Enjoy Camp Osceola

The F.V.H.S. Special Education Camp Program known as Camp Osceola is designed to draw together typical and special students into a camp setting. The special programs that are involved include the physically and multiply handicapped, Multi-lingual, severe language disorder, deaf and blind, vocational training and resource students. The students are placed in a cabin group consisting of at least one student from each program. With specific dependence on each group member the following will occur: each student will develop a better self-concept and understanding of individual differences; each student will be guided to attain their fullest potential; each student will grow through socialization.

Winter Week Sets a New Tradition

The Winter Formal set a new tradition for Fountain Valley High School. One week was put aside to show our winter spirit.

During this week many activities occurred such as a band in the bowl, a snow cone machine, ice block racing and many more.

Students got involved in this new tradition and will enjoy it for many years to come.

The event was held in lieu of the Valentine's Dance and was co-sponsored by Girl's League and Student Government. The "Winter Wonderland" introduced the election of the "King and Queen of Courts" in honor of basketball homecoming. Seniors Laure Effron and Dean Arnold became the firs King and Queen with their court, Da Miller, Marissa Van Lighten, Stacy Tru jillo, Steve Martin, Wendy Holliday, an Jim Spellman, This new tradition provid ed a memorable evening for all wh attended.

Seniors Order Caps and Gowns

The Senior Class of 1981 certainly left their mark on the F.V.H.S. campus. With the approval of Mr. Hagen, they re-instated senior parking. On January 22 and 23, the class ordered their caps and gowns, and graduation announcements. Later in the year the Sadie Hawkins dance, Baccalaureate, and Graduation were the final stops on the Senior schedule. Many activities such as, Senior Honors Night, Grad Night, and the choosing of the class favorites involved many of the Seniors. The class of 1981 best represented our school motto, "Toujours Avec Fierte" which means "Always with Pride."

Students of the Month Receive Recognition

Every year twenty-four outstanding students are chosen to represent F.V.H.S. as Students of the Month. They are chosen for the many contributions that they have accomplished throughout this school year. The Honors Commission had the difficult task of selecting the twenty-four students of the months from among many applicants. Also the Honors Commission selected two students as outstanding students of the year.

F.V.H.S. has a large program for the Handicapped students. We are the main school in the Huntington Beach High School District to offer a program for these students.

Under the guidance of Sal Cracchiola and Carey Baker, these students participated in many programs, as well as On-Campus activities. Many of these students participated in the Campus Aide program and even Adaptive P.E., where they learned to play sports like Ping-Pong and Wheelchair Basketball.

The students are always enthusiastic about the activities they participate in. To these students we say,"Thank you for being a part of F.V.H.S."

Varsity Football Has A Winning Season

The 1980/1981 Varsity football team was one of the best teams we have ever had in our 15 year history. The Barons went 11-3 on the season losing to Edison in the C.I.F. Championship game. The Barons were 4-1 during the league play losing once to Edison, but this time was close as Edison scored with 17 seconds to go in the game. The Barons offense was led by all Sunset League Junior Quarterback Matt Stevens who completed 153 passes for 2,369 yards and 16 touchdowns. Matt's favorite receivers were all county and all Sunset League team Emile Harry and Rey Gubernick. Emile caught 52 passes for 1,130 yards and 12 touchdowns and Rey caught 29 passes for 374 yards and one touchdown. These three were also known as the "F.V. Airforce." The offensive linemen, Jeff Hall, Brant Houchen, Duval Love, Ian Kaloper, and James Southward allowed Matt to get sacked only 3 times in 301 pass attempts, the best in the state of California.

(2.)

J.V. Shocked Edison

The Junior Varsity Team was 6-2 on the season and 4-1 in League competition, finishing first in the Sunset League. The J.V. Team is made up of the second string Varsity players. This year the team was led by quarterback Mike DeNuccio also known as number 11, for the second year in a row. His wide receiver was Joel Seay and Joel Anderson or the Joel Brothers, as they are called. Steve Southward ran all over the opposition as running back.

IN MEMORY OF JOANNE BROWN . . .

We dedicate this year's softball season to Joanne Brown. Those who knew her loved her, those who just met her liked her. We are sad with this tragic loss and we will miss her dearly. Her skills and ability were strong, and her honesty and loyalty were always there. She taught us a lot, friendship, kindness, honesty, and dedication. But most of all she taught us love. Joanne Brown is in a part of us now, the part that she taught us, and those who knew her will know of her always.

There is a time in the year when some very nervous and excited girls try out for a very important part of school, being a pepster. Try outs come and they have to make three cuts. Class Representatives Have A Busy Year

Every year the Senior Commission has the responsibility of planning the Sadie Hawkins Dance and preparing other events for the graduating class of 1981. These activities were successful due to the hard work of this year's Senior Commission. Headed by president J. J. Helfrich, the 1980-1981 Senior Commission helped in the preparation for graduation by planning senior announcements, taking an active role in the Seniors Honors Presentation, and assisting in the Baccalaureate and graduation ceremonies.

The 1980-1981 Junior Commission, headed by president Lisa Yee and Vice-President Marissa Van Lighten, was responsible for financing the prom in addition to selling "F.V.H.S. Too Hip" bumper stickers, working at concession stands during football games, putting on an after-game dance, and selling carnations. They also held their Second Annual Ice-Cream Social. Under the fine supervision of advisors, Mr. Bovberg and Mr. Lacey, the Senior and Junior Commissions have accomplished a great deal this year.

Choir Board and Stageband Show Dedication

This year F.V.H.S. had an outstanding choir and much of its success was due to the support of the choir board. The board consisted of elected and appointed officials. Sherri Pemberton was elected as president and Karen Eddo was elected as the Vice-president. The Secretary/Treasurer of the board was Damien Talamantez. Lauren Effron was appointed Student Director and Ron Hauff was appointed Librarian. Also the appointed Section Leaders were: Soprano — Melanie Anderson, Alto — Sherri Pemberton, Tenor — Mike Aspland, and Bass — Joe Frick.

The board which generally meets every other week, takes care of business such as organizing fund raisers, decorating the room, choosing outfits, and planning activities with choirs from other schools. The choir board's biggest job this year is helping with the planning of the trip to the Grand Canyon for the choir.

F.V.H.S. Stageband was also very busy this year as well. They performed at festivals including their Summer and Winter concerts which turned out a big success. Both clubs are to be commended on the hard work they put into each and every activity.

The Les Chavaliers or otherwise known as the French Club, had a very energetic year. They raised money for their treasury by selling "Fuzzies" and their scrumptious crepes. They also studied French culture by going to French restaurants and watching French Films.

Participation, devotion, and toleration, for hard work are just some of the many qualities that make a club successful. These are the qualities that help make the German Club successful each year. This year the members held many activities such as selling calendars, and a skating party. They also went to German Camp and Alpine Village. Along with advisor Mr. Reinhard, the 1980-1981 German Club had a well earned and well-deserved productive year.

Keywanettes sponsored by the Fountain Valley Kiwanis Club, continued to be a very popular club on campus. Twice a month on Monday nights, the girls met and volunteered for projects ranging from mailings at the Cancer Society to serving at the Football Banquet. They sold the traditional Homecoming Mums and sponsored a car wash to send our handicapped students to camp. The Keywanettes were under the guidance of President Donna Armstrong and a new advisor, Miss Zembik.

The F.V.H.S. Key Club, under their new advisors Mr. Jednoralski and Mr. Golden, was one of the most successful clubs on campus. This year's Key Club, a youth service club sponsored by Kiwanis, had many projects which helped many people throughout Southern California. Many Saturdays you could find the Key Club members supporting such groups as The American Cancer Society, The Heart Association, and The March of Dimes. In June they spent a full week up in the canyons cleaning out acres of brush during the brush fire season. The club looked forward to being named one of the top clubs in their district at their convention in San Jose, California, which proved to be the climax of the year.

In their second year of existance, the Bluestones had a rewarding year. This club is for Bilingual students who are interested in discussing many important topics, including World and Domestic issues. This club was a great asset to our school under the direction of Mr. Long Le.

Sports Clubs Have A Productive Year

For many devoted skiers with only one thing in their minds — SNOW — F.V. offers a very popular club on campus — the Ski Club. This year's Ski Club had many profitable activities such as paper and can good drives, helping out at the concession stands during football games in order to raise the money that they needed for trips to Colorado and Utah. The Ski Club each year becomes more popular, and this year was no exception!

Aquatics Club had a very successful year. Led by President, Steve Twyman, the club's first activities were selling candy and taking a trip to the Wild Wild West. They provide all the support for our Water Polo, Swimming, Diving, and Surfing teams. Affectionately known as "Fish", Aquatics participated in many activities on campus, including their annual Tread-a-thon.

Writers and Sci-Fi Clubs Expand

This year the Writers Club consisted of young enthusiastic writers who wanted to learn more about the fine art of writing. The main purpose of the club is to help all the members find suitable markets for their works. One of the clubs major goals for their year was to publish a collection of short stories written by the members.

One of the newest clubs on the Baron Manor this year was the Science-Fiction Club and Fantasy Club. With Rod Stansfield as their president, and Ms. Greenfield and Mr. Kittrell as their advisors, the club attended many Sci-Fi conventions. The S.F.F.C. also introduces new science-fictions fans to the world of fantasy, and provides a meeting place for fellow members.

The Media and Lyceum Club Have a Busy Year

This year, The Fountain Valley Creative Service Administration had a very busy year. More commonly known as the Media Services, they kept busy taping football and basketball games. They also did all the technical work for the musical "Mame." Throughout the year they held bakesales so that some day they can build a television studio here on campus.

The Lyceum Club, a fairly new political science club, dealt with and discussed various world topics. They participated in many activities and attended field trips during the school year. The Lyceum club had a productive year under the supervision of advisor, Mr. Sepulveda.

CSF and Math Team Make the Grade

C.S.F. — The California Scholastic Federation has had one of the busiest years in history. Their theme for this was "Scholarship for Service."

One of the services they started this year was a tutoring program. Once again C.S.F. offered scholarships for the members, and the money for these scholarships was raised through selling "I Love F.V. Barons" bumperstickers. The club also had some leisure time for activities such as attending the annual C.S.F. Nite at Disneyland.

The Math Team, under the leadership of Mr. Saenz, is a group of students who were chosen by their high results on tests that they were given. They were busy competing in several groups and tournaments and were rated as one of the best teams in Southern California. This is one of several groups who show people that F.V. is not only good on the athletic field, but in the classroom as well.

Honors and Mecha Club Contribute Support

This year's Honors Commission had the difficult task of choosing the student of the months and the student of the year. The commission was made up of Mr. Ferguson, an administrator, Mrs. Belgen, a parent, and three representatives from the Freshman, Sophomore, and Junior classes. They made their decisions by reading applications completed by Seniors. We are very pleased by the Honors Commission for all their accomplishments this year.

The 1980-1981 Mecha Club worked hard this year under the direction of their advisor, Mrs. Banner. The club participated in many activities as the members aided Bilingual students. They were also involved with fund raisers which were all a great success.

Guidance

The counselors at F.V.H.S. are available all year around. Students can ask for help or personal guidance about anything they need help with. They need to make appointments in order to receive guidance, but this way they receive the time they need. Counselors do all the scheduling for the students programs and help them to choose the classes they need to graduate with. The counselors along with all their help are a great asset to our school which we couldn't do without!

The Home Economics department at F.V.H.S. has gone through a lot of changes over the past few years. Many more boys, as well as girls, have enrolled in classes such as Foods I and II, Interior Design, and Singles Living. Some new classes have been added to the department this year. Marriage and Contemporary Life is a class that was brand new this year and proved to be very successful. Students discussed problems concerning relationships and also about preparing for marriage. By the beginning of next year there should be a large turnout in this class. This years success was to the hard-working teachers and department chairperson, Mrs. Odell.

The business department was also very busy this year with the increase of enrollment in business classes such as typing, business machines, bookkeeping, shorthand, and accounting. Under the direction of Mr. Gitschier, students were trained for future jobs.

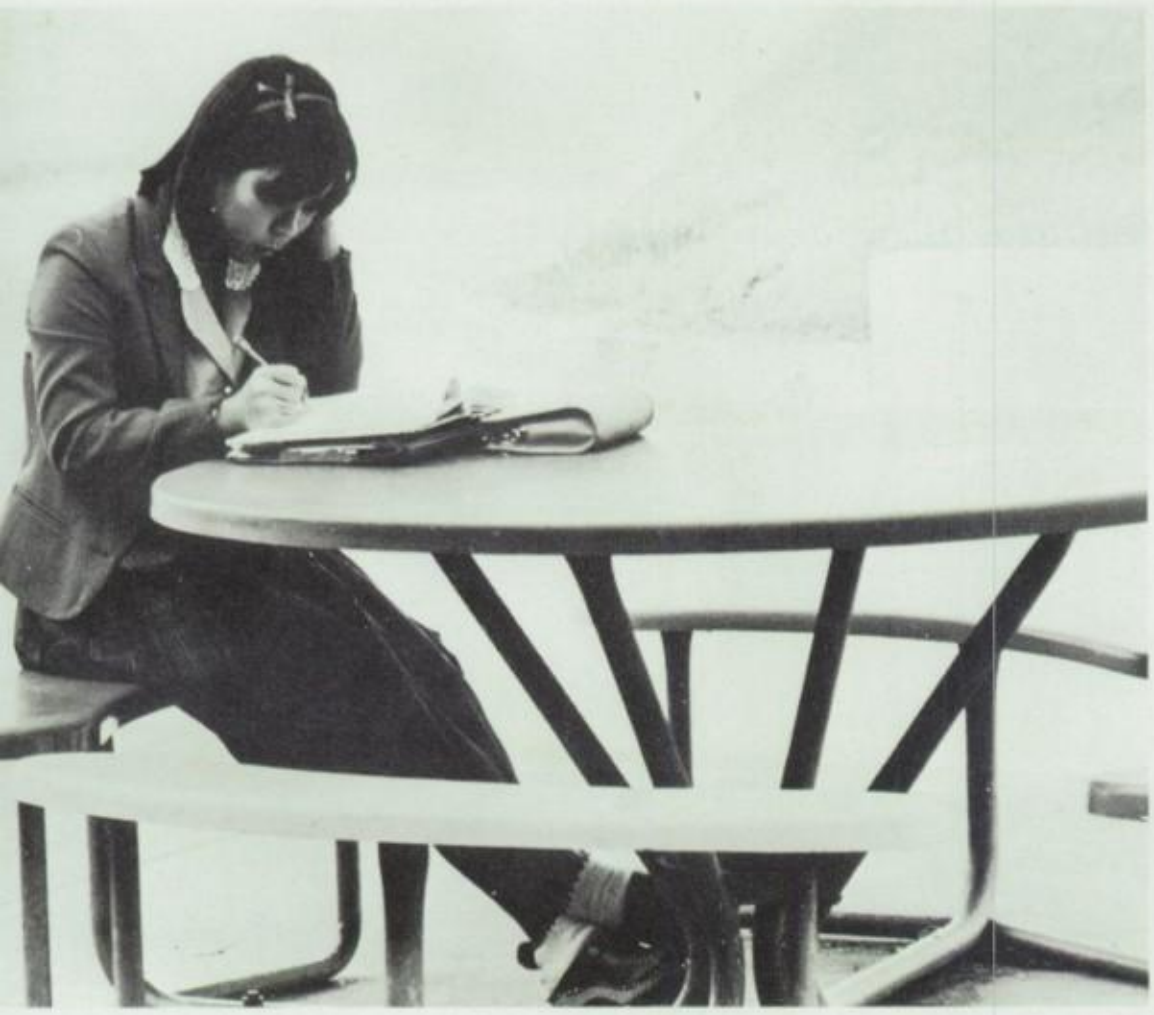
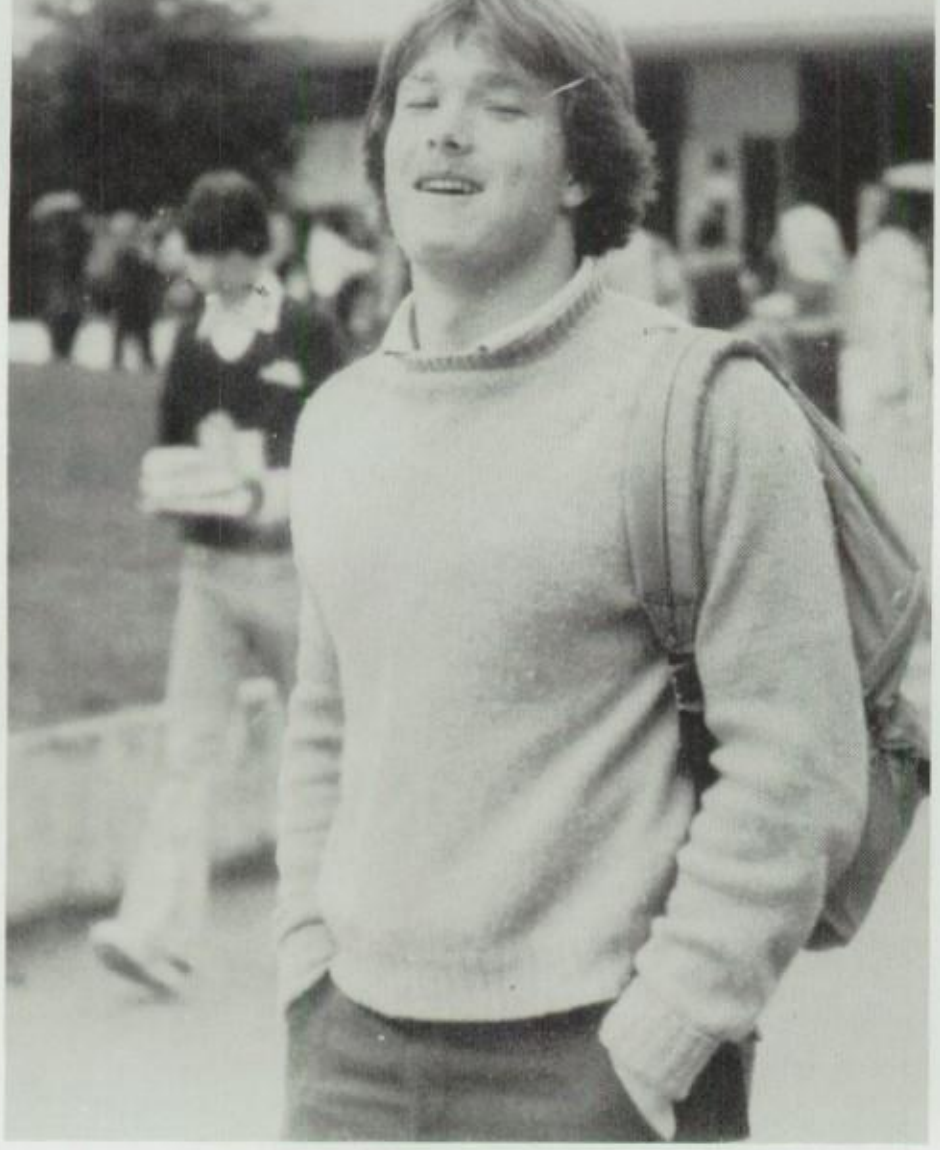
I'm sailing away
Set an open course for the virgin sea
For I've got to be free
Free to face the life that's ahead of
Me.

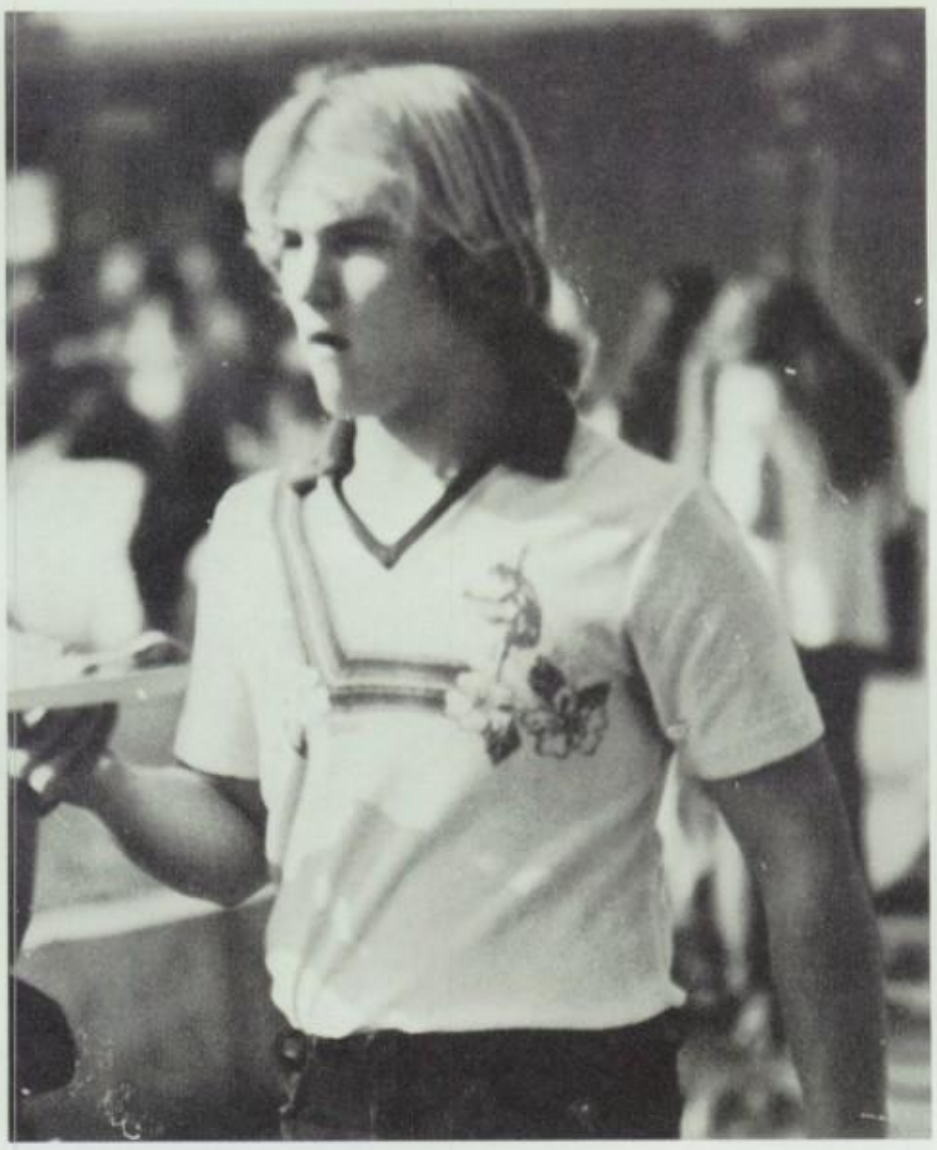
On board I'm the capatain
So climb aboard
We'll search for tomorrow on every shore
And I'll try, oh Lord, I'll try to
Carry on.

I look to the sea
Reflections in the waves spark my
Memory
Some happy, some sad
I think of childhood friends and the
Dreams we had.

COME SAIL AWAY by Dennis De Young copyright 1977 Almo Music Corp. All Rights Reserved







We lived happily forever
So the story goes
But somehow we missed out on the pot of
Gold
But We'll try best that we can
To carry on.

A gathering of Angels
Appeared above our heads
They sang to us this song of hope
And this is what they said.

Come sail away
Come sail away
Come sail away with me

I thought that they were
Angels, but to my surprise
We climbed aboard their
Starship
And headed for the skies

As editor of the 1981 yearbook, I must say putting a yearbook together was quite an experience. A person has no idea how much time, dedication, and patience it requires. The job of being responsible is one that is so important in the making of a good yearbook. I really enjoyed working on the yearbook even though there were a few times when I thought it would drive me crazy. But most of all it was a great learning experience and one that I will always remember.

I would like to express my thanks to Mr. Wheaton for his support, help, and patience and for a great job he did as the new yearbook advisor. I would also like to thank Steve Eddy for his help and understanding (especially at deadlines). I want to thank everyone who was on the yearbook staff for all the time and effort that they put into this book and how glad I am that it is finally finished!

Jeff,
I'm so glad we're friends even though we didn't have any classes together this year, we still kept in touch. It's really good to know people who live by the incase I feel like partying, but don't feel like driving. Good luck with everything.

Love
